

## GUISELEY SCHOOL

6 March 2023

Dear Parent/Carer

National Careers Week is celebrating its 12<sup>th</sup> Anniversary this year, from 6-11 March, a year when hope for the future and belief in the potential of careers is needed more than ever.

This year Guseley School, in conjunction with the National Careers Week Team, will be using the week commencing 6 March to promote various aspect of careers.

We want to encourage families to have conversations about careers and the future, especially this year in these challenging times. You can support your child to start exploring, spark their curiosity and build hope for their future by talking about careers during National Careers Week.

The National Careers Week Team have provided a Parents' Guide to help. This can be found at <https://nationalcareersweek.com/parents-guide-2023/>. Further to this the [National Careers Week](#) website includes links to all the resources available during NCW 2023:

- Information on many careers from over 40 National organisation, including our supporters the Natwest Group and NHS Health Careers
- An online virtual careers fair <https://ncw2023.co.uk/>
- Activities for students
- A short Hope film with stress and wellbeing resources. This features young people talking about their hopes and anxieties for the future. Wellbeing advice and practical tips on managing feelings of stress is provided by GP and broadcaster Dr Radha Modgil.

We hope that you will have the time to explore some of these opportunities with your child. In addition to these resources your child's form tutor will be sharing information about National Careers week in form time.

If you have any questions about this arrangement then please contact me by email [info@guseleyschool.org.uk](mailto:info@guseleyschool.org.uk).

Yours sincerely

Mr Mike Smith  
**Curriculum Leader**  
**Business Studies & Careers**
