

## GUISELEY SCHOOL

21 April 2023

Dear Parent/Carer

I am writing to invite you and your child to the 'Year 12 Parents' Post 18 Options Information Evening'. This event will take place on **Thursday 4 May, in the auditorium** which is in the Sports and Arts block. It will start at 6.30pm and last approximately 1½ hours.

The main purpose of the evening is:

- To provide parents with the necessary information in order to support their child through the pathways available after Sixth Form.
- To ensure parents are fully aware of the procedures and options available and the Higher Education Application Process.

The format for the evening will be a presentation on all post 18 options, including the UCAS process; how to make the decision; what admissions tutors are looking for; financial issues; Apprenticeships and Gap Years. There will also be the opportunity to discuss any post 18 issues/concerns. In addition, presentations will also be made by former students who have undertaken the degree apprenticeship route and are now fully qualified in their profession.

**This is an ideal opportunity to gain information about post 18 options and it is strongly recommended that both parents and students attend.** Many parents in the past have commented on how useful the evening has been.

There is now ample parking available in our new car park at the front of school.

Yours sincerely

Louise Button  
Assistant Director of KS5
