Dear Parent/Carer

### Temporary line closure between Shipley and Guiseley

Due to a landslip near Baildon station, all train services between Bradford Forster Square and Ilkley are suspended until further notice. Trains will not call at Baildon station while work takes place to resolve the landslip. We expect this disruption will last for several weeks.

We are aware that many pupils use the train at stations on the Bradford Forster Square and Ilkley route to travel to and from school, so we would like to inform you of different options available for their journey.

Trains running from Leeds to Ilkley and Ilkley to Leeds will have an additional stop at Kirkstall Forge to allow customers to change services towards Bradford Forster Square. We have lifted ticket restrictions during this disruption, so pupils' season tickets are valid for this alternative journey.

We are also providing a road transport replacement bus, operating between Guiseley, Baildon, and Shipley.
