Dear Parent/Carer

This week, we have started setting homework for our Year 7 students. I hope you will find the information below helpful for supporting your child with their homework.

Teachers set homework according to the homework schedule. You can find this on the Guiseley School website: www.guiseleyschool.org.uk/homework. We encourage students to copy the homework schedule into their planners, so they know which subjects to expect homework from each day. For example, on a Monday students will be set English homework in addition to the 15 minutes reading that is already printed in the planner.

Teachers might direct students to the VLE, Teams, Educake or Hegarty Maths to find the instructions or tasks for their homework.
