

June 2025

Dear Parent/Carer

In line with our obligations under GDPR, we have undertaken a review of the consents held for students on Arbor, to ensure that these are in line with the day-to-day operations of the school.

Having reviewed the consents we hold, we have expanded the types of consent we seek from a parent/carers for their child(ren).

Please can I therefore ask you to log in to the Arbor Parent Portal and update the consents we hold for your child prior to 1 September 2025. A guide on how to do this is available here: [Seeing and updating my child's information on the Parent Portal or Parent App](#)

The new list of consents is shown below, and a full description of each consent type is available when updating these on the Arbor Parent Portal.
