*Please note: Headscarves worn for religious reasons must be elasticated or securely tied so they do not pose a hazard.

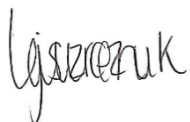

Due to the school's new artificial grass pitch football boots must meet a certain criteria to be allowed on the surface. Boots must have a plastic or rubber stud or blade and must not have a full metal stud or blade (usually found on rugby boots). Astro trainers/dimple boots are not suitable for either the new pitch or the grass pitches. Please see the photographic examples at the end of the letter.

We run a swap shop at school for football boots. For £5 you can purchase a pair of good quality second hand boots, as we appreciate that for some students the only time they may need boots is for school PE lessons. **Please note that this is subject to availability of sizes.** We will also buy any (in good condition) from you at the end of the year for £5. The swap shop will run from the start of the academic year.

For more information and to join the Guiseley School Uniform Facebook group for parents and carers where you can swap and buy uniform, please visit our website <https://www.guiseleyschool.org.uk/uniform>.

Yours sincerely

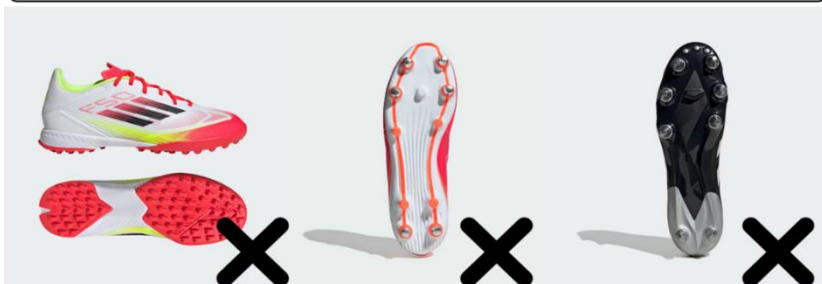

Lauren Lajszczuk
Pastoral Leader Year 7
