# Two Students Year 10

- 1 how they went about making choices/the importance of researching subjects and asking questions. **Alona Shcherbakova**
- 2 what year 10 looks like/organisation/opportunities around subject/staying on top of workload. **Jacob Salmon**

# How do I decide on the subjects to study at GCSE?

- Consider what you want to be doing when you are 16 or 18
- 'A' Levels or vocational studies
- University, college, apprenticeships or the world of work
- Research the individual subjects
- Watch the videos – how is the subject taught and delivered.
- Discuss your thoughts openly
- How will your choices support long term goals?

# Important Guidance

- Friends
- Teachers
  
- **Choose subjects you are good at and that you enjoy**
- **We want students to be happy in their studies**

“The bad news is.... from now on time flies. The good news is....  
Your child is the pilot”

# Career support to date

- As part of their PHSE lessons all students have had an introduction to 'working life'
- Careers lessons that include using Unifrog, inform students on opportunities that are available to them
- 'Career of the month' is shared each month, covering opportunities within the career and up to date labour market info.
- In lessons, subject teachers signpost students by linking units of work / study with possible careers or pathways for the future

# Take Your Child to Work Day Thursday 11<sup>th</sup> June 2026

An opportunity for children to experience the world of work and see how learning connects to real careers

## How you can get involved:

- Take your child to your workplace
- Talk about what you do and why it matters
- Introduce them to different roles
  - Share your career journey
  - Complete the sign up form

## Why does it matter?

- Builds career awareness
- Boosts confidence and motivation
- Encourages curiosity and future goal-setting
- Strengthens family conversations

**Year 9**

Any queries, please email: [wex@guiseleyschool.org.uk](mailto:wex@guiseleyschool.org.uk)

Complete the Expression of Interest Form by **February Half Term**  
This has been emailed to all parents in the letter home.

# Career & Option support over the next few months

- Subject leaders deliver in person, subject assemblies to the year group. All option subjects are covered. This information will then be re-messaged during form time with form tutor.
- Yr9 reports will be circulated prior to parents evening, these can be used to discuss options with subject teachers at parents evening on Wednesday 28th January
- From the 2nd week in February each student will have a 1 to 1 interview with either a member of Leadership or SEND team

## **\*\*Monday 2<sup>nd</sup> February- Options information goes live \*\***

- Here you will find information on all subjects, core and options and advice on how to approach and complete the options process
- Under each subject heading you will find a video from the subject leader, links to the exam specification for that subject, the subject roadmap and useful links and information for that subject.
- Information about Unifrog and how it can be of use to you and your child when making decisions about subjects or planning future careers
